

Spring 2018 RV Site Reservation Guidelines

- **RV Sites will go on sale Wednesday, January 17th and can be ordered by calling the office M-F, 9-5 at (209) 984-8630.** We expect a high volume of calls on the first day of sales. All of our lines will be fully staffed, but if you get a busy signal, please try again.
- RV Site sales are non-refundable, unless there is waiting list. Under no circumstances is the handling fee refundable.
- RV Site reservations will require payment by Visa or MasterCard, so please have your credit card ready.
- Click here to see the [RV Site Map](#). Prior to the sale of RV Sites, we will be posting an updated RV Site Map, as well as photos of and details about each site.
- **RV Sites are sold on a first come, first serve basis.** We will do our best to accommodate preferences. Your site will be assigned as you place your order. You will receive your RV Site ticket in the mail. Please contact the office if your RV Site ticket is lost, stolen, or does not arrive within two weeks time.
- In order to best accommodate you and insure the safety of festival pedestrians, we require that you have your RV, or trailer, in place on Thursday, May 24th. **In order to qualify for a RV Site, you must have, or purchase, at least one Adult 4-Day Camping ticket or you must be an active member of festival staff.** Every individual staying in your site, ages 7 and up, will be required to have the appropriate camping ticket for admittance.
- The size and shape of RV Sites are determined by the terrain and are not all the same. We do our best to match the size of the site with the size of your rig, so please know your measurements when you call. Most sites will accommodate your full size trailer, or RV, plus support vehicle. Please use only the amount of space that is reserved with your RV Site and be considerate of your neighbors.
- Please present your RV Site ticket to staff at the Gate 4 camping entrance in order to gain access to your reserved RV Hookup Site. **Make sure that the first person to arrive to your site has the RV Site ticket in hand.**
- RV Site reservations are good for Thursday morning at 8:00 am through Monday at 10:00 am. Any Staff member or Wednesday Arrival ticket holder, who wishes to occupy their site prior to Thursday at 8:00 am, will be required to pay a fee for each additional day of use.
- You only need to purchase an RV Site if you want hookups and reserved space. Dry camping is included in the price of a camping ticket for any type/size of vehicle. Quiet generators are allowed to run between the hours of 10:00 am and noon, each day of the festival. Strawberry staff reserves the right to ask you to turn your generator off if it is too loud or causing a disturbance. There is also a free dump station, at the Nevada County Fairgrounds, for you to use as you are exiting the festival, on Monday.
- If you need camping assistance as a result of a health issue or assistance charging or plugging in a medical device, please call the office to make advance arrangements.
