- The size and shape of RV Sites are determined by the terrain and are not all the same. For more detailed information about each site, please read the [RV Site Descriptions List](#). We do our best to match the size of the site with the size of your rig, so please know your measurements when you call. Most sites will accommodate your full-size trailer, or RV, plus support vehicle. Please use only the amount of space that is reserved with your RV Site and be considerate of your neighbors.
- In order to best accommodate you and insure the safety of festival pedestrians, we require that you have your RV, or trailer, in place on Thursday, May 24th.
- Please present your RV Site ticket to staff at the Gate 4 camping entrance in order to gain access to your reserved RV Hookup Site. **Make sure that the first person to arrive to your site has the RV Site ticket in hand.**
- RV Site reservations are good for Thursday morning at 8:00 am through Monday at 10:00 am. Any Staff member or Wednesday Arrival ticket holder, who wishes to occupy their site prior to Thursday at 8:00 am, will be required to pay a fee for each additional day of use.
- You only need to purchase an RV Site if you want hookups and reserved space. Dry camping is included in the price of a camping ticket for any type/size of vehicle. Quiet generators are allowed to run between the hours of 10:00 am and 2:00 pm each day of the festival. Strawberry staff reserves the right to ask you to turn off your generator if it is too loud or causing a disturbance. There is a dump station at the Nevada County Fairground for you to use as you are exiting the festival on Monday.
- If you need camping assistance as a result of a health issue or assistance charging or plugging in a medical device, please call the office in advance to make arrangements.
