

# Strawberry FAMILY ACTIVITIES

There's something for everyone at Strawberry! Art, nature, music, and movement workshops led by our talented instructors are included with admission. Our programs meet at the Forest Amphitheater and other areas, so be sure to check the schedules on the opposite page for locations and times. We're now in a better place "pandemically," yet we still want our strawberry family to feel comfortable taking care of yourselves. Please be considerate when playing closely with others in the Kids' Area and at the crafts tables and please wear a mask or distance if you feel at all compromised.

**Children under 6 must be supervised by an adult at all times and in all areas of the festival.**
